Agenda Item Bill 13-2017 Sit Lie Ordinance
Your position on the matter

I help manage a local restaurant establishment in the Kapalama Shopping Center in the Kalihi area. On the backside of the center on Kaumauaili Street there are people living in tents on the side walks, keeping our customers away. Also they use our facilities for restrooms and to take a bath in We try to monitor them entering but when we are busy, they sneak in. Also, we had a break-in last year. They also sleep and defecate on the shopping center property. We have personally witnessed the selling drugs to people who drive up in their cars at all hours. Our customers do not feel safe in an area where these kinds of activities are frequently occurring in broad daylight. Thank you.
